Million Reasons - Lady Gaga

You're giving me a million reasons to let you go You're giving me a million reasons to quit the show

You're givin' me a million reasons Give me a million reasons Givin' me a million reasons About a million reasons

If I had a highway, I would run for the hills If you could find a dry way, I'd forever be still

But you're giving me a million reasons Give me a million reasons Givin' me a million reasons About a million reasons

I bow down to pray
I try to make the worst seem better
Lord, show me the way
To cut through all his worn out leather

I've got a hundred million reasons to walk away But baby, I just need one good one to stay

Head stuck in a cycle, I look off and I stare It's like that I've stopped breathing, But completely aware

'Cause you're giving me a million reasons Give me a million reasons Givin' me a million reasons About a million reasons

And if you say something that you might even mean It's hard to even fathom which parts I should believe 'Cause you're giving me a million reasons Give me a million reasons Givin' me a million reasons About a million reasons

I bow down to pray
I try to make the worst seem better
Lord, show me the way
To cut through all his worn out leather

I've got a hundred million reasons to walk away But baby, I just need one good one to stay

Hey, ehh, ehh, eyy
Oh, baby I'm bleedin', bleedin'
Hey, ehh, ehh, eyy
Can't you give me what I'm needin', needin'

Every heartbreak makes it hard to keep the faith But baby, I just need one good one Good one, good one, good one, good one

When I bow down to pray
I try to make the worst seem better
Lord, show me the way
To cut through all his worn out leather
I've got a hundred million reasons to walk away

But baby, I just need one good one, good one Tell me that you'll be the good one, good one Baby, I just need one good one to stay
