All that I wanted from you was to give me  
Something that I never had  
Something that you've never seen  
Something that you've never been!

Long distance, I need you  
When I see potential I just gotta see it through  
If you had a twin, I would still choose you  
I don't wanna rush into it, if it's too soon  
But I know you need to get done, done, done, done
